Description

Ken Jaworowski's Small Town Sins is a gripping Rust Belt thriller that captures the characters of a down-and-out Pennsylvania town, revealing their troubled pasts and the crimes that could cost them their lives. In Locksburg, Pennsylvania, a former coal and steel

town whose best days seem long past, five thousand residents have toughed it out, and have reasons for both worry and hope as this neglected place teeters between decay and renewal. For some of them, their biggest troubles have just arrived. After years of just scraping by, three restless souls have their lives upended: Nathan, a volunteer fireman who uncovers a secret stash of money in a burning building and takes it; Callie, a nurse whose tender patient may not have long to live, despite the girl's fundamentalist parents' ardent beliefs; and Andy, a recovering heroin addict who undertakes a nightmare mission to hunt down and stop a serial predator. Before long, Nathan's stolen riches threaten to destroy everyone around him
